## What are the Loara Saxons Alumni Student Ambassadors?

The Loara Saxons Alumni Student Ambassadors (LSASA) is a diverse group of dynamic and motivated volunteer 10<sup>th</sup> – 12<sup>th</sup> grade student leaders, and the student face of the Loara Saxons Alumni Association (LSAA). Members serve as liaisons between Loara High School students and alumni by promoting the history and traditions of LHS and by participating in various on and off campus Alumni sponsored events to raise awareness of LSAA benefits and services. Ambassadors will be trained and educated to help promote the benefits of alumni engagement, from specific alumni discounts and perks, to campus events, to potentially mentoring current students, and much more.

## What do the Student Alumni Ambassadors do?

Meetings are monthly during the academic year, and include training in communication techniques, planning discussions for programs, events, and fun!

Ambassadors host and/or participate in a variety of programs and networking opportunities throughout the year to educate current students on the impact of student and alumni involvement, including but not limited to Open House, Freshman Orientation, Homecoming, LSAA Member tours, Back to School Night, Winter Wishes, and various alumni events hosted by the LSAA.

Ambassadors also plan and participate in community service projects and help plan new events with the LSAA.

Being a student at LHS is just the beginning! You are a “Saxon for Life”! If you are an enthusiastic student with a passion for your alma mater and have an interest in educating the LHS Community about the importance of staying connected to LHS through involvement, then consider applying to be a Student Alumni Ambassador!

## Mission and Purpose

The LSAA mission is to protect, honor, and preserve the rich heritage, traditions, and history of Loara while working with the school and the Anaheim Union High School District (AUHSD) toward student development.

The purpose of the LSAA is to create a strong and unified presence at key events, activities and traditions in and around the Loara High School community and to participate in a variety of programs and networking opportunities throughout the year to educate current students on the impact of student and alumni involvement.
